SPECIAL OFFERS

The majority of the special offers are available and conditions of applications are processed by the system. 'Stay/Pay', or 'Minimum Nights' will display only if the minimum number of nights is selected, "Early Bookings" will be available only if their specific conditions are respected. However, the system does not control all the special offers available in the contracts; you have to verify conditions of application of the offers, before you select them, to ensure their validity.

Some special offers exist but they are not visible online. Two reasons may explain that. Either these offers are being loaded, or our system cannot control all of conditions of application and in this case, these conditions are processed on a request by our booking team. In that case, you must enter the booking code of the offer in the "Offer Code" field and the service will be updated by our service, in your folder.

Offers are displayed with room categories, as below:

Hotel Sofitel Bora Bora Marara Beach Resort - 3*

3 Star

Daily Buffet Breakfast & Stocked Minibar included in Room Rate.

Compulsory Arrival/Departure Transfers, MUST be added from "Transfers" services

Special offers available on the Special Offer Booking Tool document.
